"Blockchain technology currently has a hype to substance ratio rapidly approaching infinity. And as a team of people who are skeptical of 90+% of proposed blockchain uses, we're hesitant to contribute to that... But there's one area where we think it's plausible, if not likely, that blockchain will improve the world: the development of open standards and protocols, and consequently more user-friendly technology." -LBRY CEO Jeremy Kauffman

It's Movie Tuesday! The LBRY team will be on Discord at 8PM ET to watch (and maybe heckle?) the Allen Ginsberg biopic Howl, starring James Franco and Jon Hamm. Watch along on Spee.ch or in the LBRY app, and join in the conversation on Discord (chat.lbry.io)!

The poster for the movie 'Howl' features James Franco as Allen Ginsberg sitting at a typewriter. The title 'HOWL' is prominently displayed in large white letters. Other cast members shown include Jon Hamm, David Strathairn, and Mary-Louise Parker. A quote from the LA Times says 'sually ravishing achingly cool'.

LBRY UPDATE! v0.15 is now live!

-LBRY users can now claim one of their referral rewards (as long as you didn't refer any bots)

-LBRY users can now view a complete history of invites in their wallet

-Significant improvements to the on-boarding process for new users, making it easier than ever for creators to put their content on LBRY and get started with LBRY credits

-More technical updates and fixes than you can shake a stick at - check out the link for full detail

LBRY Update

LBRY v0.15.0rc2 is now available - here's a rundown of what's changed.
